MAKERS 46 OLD FASHIONED

Albert Abbadessa started the culinary journey that brought you here today in 1956 at the nearby Colonial Manor. That building is long since gone, but Al's success there created a desire to do something even better that's meaningful still today.

It was the dining experience surrounding a trip to St. Louis to see the Cardinals beat the New York Yankees in the 1964 World Series that motivated Al to open what became the original, famed Pear Tree Restaurant in Bevier, MO.

Al believed that everyone visiting his restaurant should receive superior, white glove service only matched by the quality of food and preparation, in a comfortable environment without pretentiousness.

He brought to Northern Missouri the classic concept of "swarm service" where guests are attentively taken care of by a choreographed team. This is the type of experience travelers have come to expect from the finest restaurants around the world.

And now Al's son, Michael, is curating that same chef-driven, team-oriented service experience here at the Pear Tree Kitchen & Bar. If you thought you were at just another "bar and grill", you're in for a treat.

Thank you for joining us. Bon Appétite.

Michael Abbadessa

We recently lost a beloved member of our family, Wade. His impact on your dining experience can be felt still today. So, you'll see throughout the menu some places where we honor him and the spirit of his famous saying, "go big or go home!"
